

# Tattered Teddies

AN INTERACTIVE HANDBOOK ABOUT THE AWARENESS AND PREVENTION OF SUICIDE IN CHILDREN

## WHAT IS IT?

Tattered Teddies is a 212 page original publication from the Centre for Suicide Prevention for use by teachers, trainers, parents, counselling professionals and the general public. The Handbook was written by Laurel Bridges and Rani Murji.

## WHAT IS IN IT?

Strategies for Communication with Children about Suicide, Protective and Risk Factors, Warning Signs, Interventions, Early Prevention of Suicide in Children, Finding Help and References.

## WHY DO WE NEED THIS?

"The need for a handbook about suicide in children is astounding! Regrettably, this book has been born out of that need. Thoughts precede actions. A child who thinks about suicide is at significantly higher risk to some day attempt to end his or her own life." (Diane Yackel, Executive Director)
